Camila Serrano

Chicago, IL · camila.serrano@example.com · (312) 555-0169 · linkedin.com/in/example-camila-serrano

My Key Qualifications

- **1 year at The Gettys Group** supporting hospitality renovation and new-build projects through design development, documentation, and vendor coordination, meeting the entry-level bar exactly.
- **AutoCAD, Revit, SketchUp, and Adobe Creative Suite** used daily on live restaurant and hotel projects, plus InDesign, Photoshop, and Illustrator on presentation work.
- Coordinated cutsheets, samples, lead times, and pricing from **18 vendors and fabricators**, cutting missing specification items in bid packages from 7 to 2.
- Produced finish boards, furniture plans, and drawing updates for **6 hospitality renovation projects**, keeping 5 of 6 client submissions on or ahead of review dates.
- Documented field conditions and punch-list follow-up across **4 site surveys and 3 installation visits**, closing 21 of 24 action items within 10 business days.
- Designed a **32-key boutique hotel capstone** with a complete 46-sheet design package and Enscape renderings, finishing top 3 of 18 presentations.
- Applied **ADA and accessibility standards** in a community restaurant space plan, raising seating from 42 to 48 while maintaining ADA clearances.

Experience

Junior Interior Designer — **The Gettys Group**, a hospitality design and development firm

Nov 2025 – Present · 1 yr

- Produced presentation decks, finish boards, and drawing updates for 6 hospitality renovation projects, helping keep 5 of 6 client submissions on or ahead of scheduled review dates using AutoCAD, Revit, and Adobe Creative Suite.
- Coordinated cutsheets, samples, lead times, and pricing from 18 vendors and fabricators, cutting missing specification items in bid packages from 7 per package to 2.
- Documented field conditions and punch-list follow-up across 4 site surveys and 3 installation visits in Bluebeam, closing 21 of 24 action items within 10 business days.
- Assisted with space planning, finish selections, furniture plans, and design presentations for restaurant and hotel projects under senior designer direction.
- Maintained drawing sets, finish schedules, specification binders, and material sample organization across active project teams.

Education

Projects

- **Boutique Hotel Capstone**
  Designed a 32-key boutique hotel concept for a downtown adaptive-reuse shell, covering guest rooms, lobby, lounge, and back-of-house areas for a studio review panel. Produced a complete 46-sheet design package, finishing in the top 3 of 18 capstone presentations.
  Tech: Revit, Enscape, SketchUp, Adobe Creative Suite
- **Community Restaurant Accessibility Study**
  Space plan and finish package for a local nonprofit training café, focused on ADA circulation, durable materials, and front-of-house/back-of-house workflow. Improved seating capacity from 42 to 48 while maintaining ADA clearances throughout primary guest paths.
  Tech: AutoCAD, Photoshop, Illustrator

Skills

- **Design Tools:** AutoCAD, Revit, SketchUp, Adobe Creative Suite, InDesign, Photoshop, Illustrator, Enscape, Bluebeam
- **Interior Design Practice:** Space Planning, FF&E Documentation, Finish Selection, ADA for Commercial Interiors
